PRINCIPAL

Dr. James W. Wright

It is indeed a pleasure to have this opportunity to include a word from me in the 1986 Cog N' Pen. This edition of the yearbook should remain always as a treasury of your memories at ---- "The Home of the Blue Devils". I hope that you will keep it as a cherished possession and that it will serve to remind you of Central and the friends you made in high school.

As a Central graduate you will be a representative of Central High School, wherever you go. Your willingness to work faithfully and diligently in your post-secondary pursuits will be expected as part of the Blue Devil tradition established by your predecessors.

By all means do not consider your education complete. "You've Only Just Begun". All that any school can do is to give you a foundation on which to build a useful life and the techniques for so doing. It is up to you to build the superstructure and rise above the mediocrity of the self-satisfied. Shun mediocrity as you would the plague. There is plenty of room at the top and the need for more honesty, industry and integrity. I trust that you will keep striving to make yourself more useful and thereby help to make this a better world.

The gates to a new life have been opened to you. Proceed with courage, faith and hope, but also with intelligence, purpose and determination.

JACK DE FARES

Success is getting what you want, happiness is wanting what you get. Best of everything in the future.

MRS. CORRINA KAY

Congratulations to the class of 1986. May you find in the future an abundance of joy and success in all of your endeavors.

BENNIE L. LEE

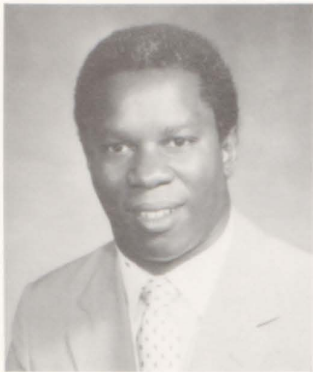

Best wishes for a happy, healthy and successful future. Continue to believe in yourselves and all of your hopes and dreams will become a reality. Good luck.

FOOTBALL

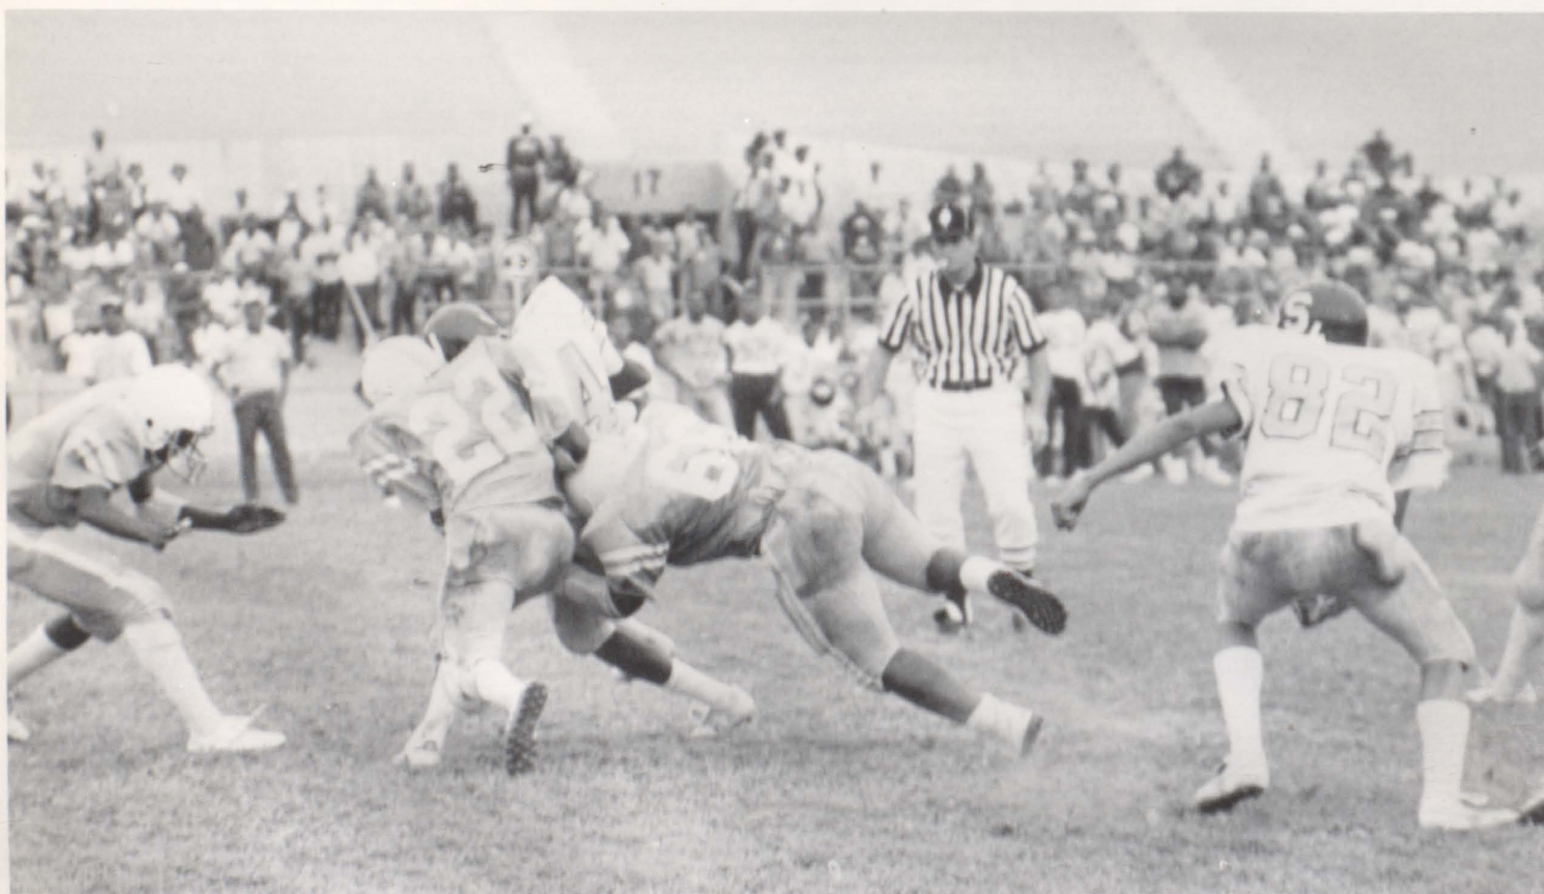

The 1985 football season was long and difficult for the Blue Devils. In 1984, Central was unable to have a football program due to the academic ineligibility of a large number of potential players. The 1985 football team concluded the season with an overall record of 1 win and 7 losses. We must keep in mind that the team was basically composed of young men in the ninth and tenth grades. Under normal circumstances, these young men would have played junior varsity football. We the coaching staff: Charles Ferguson, Greg Stewart, Percy Lesure and Charles Ryans would like to thank those young men who gave their time and effort to make it possible for Central to resume its football program. We have dedicated ourselves to the conviction that we will achieve academically and on the football field. Success will be ours!!

GOLF

The golf team members work very hard developing their game skills and team attitude during the winter clinics and golf season.

The youngsters have two factors to overcome, the strangeness of the sport and its complexity. The golf swing is deceiving for it looks easier than it really is.

The golf swing described in the language of physics involve such abstractions as torques, kinetic energy, centripetal forces and the conversions of angular momentum.

Winning the city golf championship in "83 - 84 - 85" required developing the game skills, but most of all, it required possessing a team spirit in an individualistic sport.

TENNIS

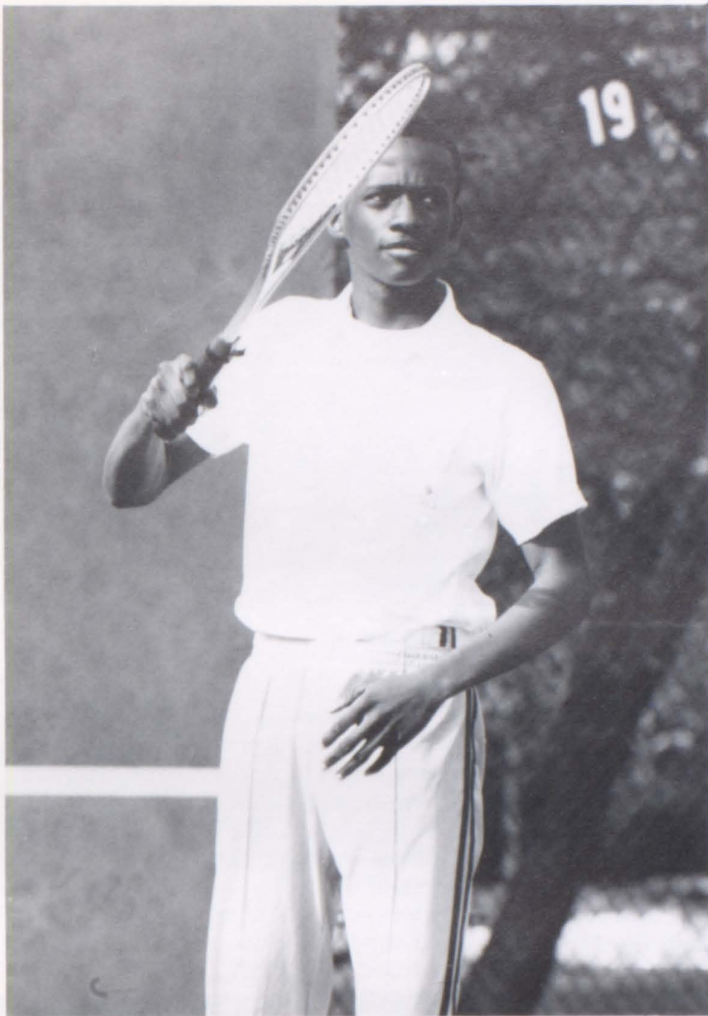

Tennis is a game of strokes, skill and stamina which doubles as a sport involving highly intense emotion. Each team member trains himself or herself through rigid practice schedules and conditioning along with assistance from tennis coach, Percy Lesure.

Members of the tennis team must be very responsible, disciplined and must support their fellow team members and coach. Tennis is a game which demands hard work but our players who enjoy the game, practice dilligently and willingly. We look forward to a good season this year with our returning seniors Pearl McMillian, Carlotta Atkinson and Keesah Terrell.

SOFTBALL

The 1986 Central High School Blue Devils Softball Team began the year very successfully with a 9-1 record, winning most of the games with shutouts. Central had a devastating defense and an awesome offense.

Audrey Young pitched three no hitters and started off the season ranking all-county. Yvette Morris was ranking all-county for short stop, while Kim Howell, a sophomore was ranking all county first baseman. Unfortunately, after this fantastic beginning, the team disintegrated as players quit.

Hopefully, the 1986 team will have more dependable players, some of which are experienced, and will have a very successful season.

Pg. 52 Top: Audrey gets ready to pitch. Bottom: Audrey Young pitches her two hitter against Shabazz. Pg. 53 Clockwise from top left: Coach Angelo Stewart. Kim Howell gets ready for a bunt. Tammy Washington makes a play to first base. Cynthia stays alert. Shawanna Rogers goes up to bat.

BASEBALL

The 1986 Blue Devil baseball team faces its toughest challenge of the eighties. Not since Coach Battaglini took over the program in 1980 have so few seniors returned to the squad. With the exception of three players, Coach B. will start a host of underclassmen this season. When asked about the prospects for the coming season, Coach quipped, "This year our chances are like those on 'Let's Make A Deal'". I feel like a contestant, not knowing what's behind door #1, door #2 or door #3. Let's hope our luck is good."

The three senior returnees are Sean West, Chris Bowles and George Greene. West, a 3- sport man, is coming off his best American Legion-season, where he established himself last summer as a sure-handed fielder with excellent speed. West's quick bat will also be a key to this club's performance. Chris Bowles, last year's DH, will see outfield action as well this season. Chris will be called upon to hit the long ball. Greene, last year's second baseman, will have the difficult task of anchoring a very inexperienced infield. His glove will determine which way this team heads defensively.

The bulk of the '86 crew will be juniors: Jason Smith, Phil Martin, Maurice Johnson, Rudolph Booker and Dakar Hamlet. Sprinkled in will be sophomores, Steve Fischer, and Darnell Graham. Several other underclassmen are possibilities, but Coach Battaglini is waiting for grades to be posted before announcing any names. Of the group mentioned, Jason Smith, an all-Essex County pitcher as a sophomore, will be called upon to carry the pitching staff. Jason is a lean but strong young man who Assistant Coach Ballin feels is Central's top player of the decade. Says Ballin, "He shows the determination, intelligence, poise and discipline to become one of New Jersey's top baseball prospects."

The coaches will stress defense this year, which is their philosophy in molding a young club. Hopefully, this hungry group can match or surpass last year's 17 victories and second place City League finish. In the Battaglini - Ballin era, Central teams have averaged 16 victories a year and have won the City League title or finished second in five of the six years. This program has a proud, modern history and tradition and we're sure this new crop of players will live up to its past glory. Maybe Monty Hall's doors are full of wonderful surprises.

CROSS COUNTRY

Central High School Blue Devils have a new star on the horizon by the name of Adrienne Davis. She led our girls' Cross Country Team this year. She ran five races under 21 minutes and finished in the top ten in the city. Desiree Minatee ran four races under 21 minutes. Coaches Cole and Stewart are very excited about the growth of our cross country teams. Next year, with Adrienne Davis, Desiree Minatee, Sharonda Keith, Theresa Baxton and Cindy Howard, we should be number one.

Coach Cole also has high hopes for a banner season during the outdoor campaign with the addition of Irvin Hatcher and veterans Vaughn Green, Wilson McLean, Kyle Moore, John Gibbs, Bernard Green, Carlos Cortez and Keith Royal. He feels they will be ready for the Penn Relays and the State Championship.

Pg. 59 Clockwise from top left: Sharonda Keith, Donald Eddings, Bertina Moore, Wilson McLean, Fred Williams, Desiree Minatee.

TRACK

The 1986 Boys and Girls Track Team is led by the only two seniors on the team, Bertina Moore and Fred Williams. Bertina is a City and State Group and Sectional champ in both the 200 and 400 meter run. She hopes to attend the University of Connecticut in the fall on a track scholarship. Fred Williams is a newcomer to track and field. He has shown ability in the 800 meter run. Coach Cole, the Cross Country Coach, believes Fred will be a fine runner one day.

Coach Stewart, the girls' outdoor track coach, feels that 1986 will be a good year for the Lady Blue Devils. Our track team will be exciting with veteran Bertina Moore, juniors Desiree Minatee, Sharonda Keith, Theresa Boxton and newcomers Adrienne Davis, Waleah Squires, Cynthia Howard and Rhonda Campbell.

BASKETBALL

The Central Blue Devils Basketball Team led by seniors, Jamal Pierce, Al-Tariq Brown, Sean West, Michael Rooks and Norris Colston was off to a good start this '85-'86 season, with two victories over Vailsburg, a loss to Carteret in the Hillside Tournament, and a victory over Weequahic. The Blue Devils are led in scoring by Jamal Pierce who has scored 84 points in the first four games. We have received good defensive effort and all-around play from Al-Tariq, Sean, Michael and Norris. Without them the victories would not have been possible. Leading the way off the bench are the two newcomers to the Blue Devils Basketball Team. They are senior Oscar Suggs and junior Mark Eagle. Oscar will be counted on for his defense and rebounding and Mark will add more fire power and ball handling to the offense. The Blue Devils have a long, tough schedule ahead of them but their hard work and good attitude should propell them to a winning season. The remainder of the team are juniors, Philip Martin, Vickie Thompson, Edward Collins, Charles Revelle, Joe Coleman and Darren Johnson.

Clockwise from top left: Mike Rooks tries to rebound the ball. Jamal (J.C.) Pierce goes up strong for a layup. Al-Tariq Brown gives a bounce pass to Mike Rooks. Jamal Pierce tries to pass the ball to Al-Tariq Brown from the base line.

Clockwise from top left: Norris Colson looks for a way to pass the basketball. Mike Rooks makes a power layup good for 2 points. Jamal Pierce tries to serve 2 points off a baseline drive. Jamal Pierce goes to the basket after a fast break pass. Mike gives Al-Tariq a bounce pass on the baseline.

BASKETBALL

This year's ladies basketball team was a good combination. There were two senior starters. Forward Angie Branch, a good shooter, had the most steals of all the girls with a steal in almost every game. Forward Monique Cody lead us in rebounding. She is excellent under the boards on the inside. In one game, she made a layup and won the game when it was tied with one second left. Rounding out the starting five is guard Sheryl Washington, a junior. Always aggressive, she was the leading scorer throughout most of the games and wasn't afraid to shoot even if she didn't make the basket. Guard Lorraine Howell is a sharp outside shooter. Her long court passes broke the opponents' press in many games. Guard Patricia Hall could always bring the ball up the court and she always penetrated to the basket. She was the second leading scorer, a great outside shooter and a great defensive player.

Coach Joe Williams is looking for an exciting season next year because he will have a lot of veteran players in the skill positions. Sheryl Washington believes that the team will do better next year and will take the City Championship. The team's goals will be threefold, to make themselves proud, the school proud and their coach proud.

SENIOR CLASS OFFICERS

Since being elected the Senior Class President for 1986, I have learned a great deal. In order to tackle the responsibilities of such a position, you must be willing to contribute all of your time and effort.

I would like to thank the senior class for giving me this great opportunity to support my school and my peers. As Centralites, we have learned to enjoy our school for what is it. We can continue to make it better if we take on the challenge. In order to give a good challenge, you must be ready for that challenge.

COG 'N PEN

The Cog 'n Pen Staff tried to create a book which you will find enjoyable for years to come. It is impossible to satisfy everyone; however, we have tried to do our best. We hope you are satisfied with our efforts.

A yearbook is the combined effort of many people. To all the students who helped to write copy, identify photos, draw layouts or type, your help was invaluable. (Although some of the staff are pictured here, unfortunately we were not able to include pictures of everyone.) A special and long-deserved thanks to our yearbook company representative, Bonnie Levine, whose help has been priceless. To Mr. Stewart, senior class advisor, for his untiring effort to provide activities, raise funds and unite the class we give our undying gratitude. For their patience and support we thank the staff of Central HS. For always being there when we needed them and for doing a fantastic job we wish to thank Albert and Harold Beim and all of their talented photographers. To Mrs. Porter and her students who helped us with the last minute typing, you were lifesavers. In closing we say to the class of 1986- May your future be happy, healthy, long and successful. May your yearbook constantly remind you of the wonderful people and the times of your high school days.

Central nips Hillside in double OT, 69-65

By TOM LONG

Senior guard Jamal Pierce scored 37 points, including the last two baskets of the game, to power Newark Central to a 69-65 victory over Hillside in double-overtime for the North Jersey Section 2, Group 2 championship yesterday in Bloomfield.

Pierce, who scored 23 of his points in the fourth quarter and the two extra periods, hit a 12-foot jumper with 13 seconds left in the second overtime to give Central (14-8) a 67-65 lead. Pierce then stole a pass and converted a layup with two seconds left to seal the verdict.

The teams each scored 54 points from the floor but Central won it at the foul line, 15-11. Pierce cashed in on 13 of 17 from the foul line.

Central had beaten Hillside in state Group 4 finals in 1963 and 1964 in Atlantic City. Yesterday's victory completed an Essex County sweep in North Jersey, Section 2. Montclair won in Group 4. Clifford Scott in Group 3 and Glen Ridge in Group 1 on Friday.

Hillside (15-9) had tied the score at 65-65 when junior forward Tai Tucker, who led his team with 21 points, dropped in a layup with 24 seconds left.

"Pierce is an excellent player who usually comes through for us," said Central head coach, Calvin Blue, completing his first season. "I felt that we could win the sectional title because we lost to a lot of good teams this year and we had a lot of tough games. But this one, Hillside, was the toughest."

Central appeared to have the game won in the first overtime when it took a 58-54 lead with 2:10 left on a short jumper by Pierce. But Hillside quickly tied it when Tucker drove the lane for an underhanded scoop shot with 1:25 left and then picked off a pass and went in alone for a slam dunk with 59 seconds left to tie the game at 58-58. Pierce and Tucker then both hit one free throw in the final 30 seconds of the first overtime to make the score 59-59.

Tucker had tied the game for Hillside at 54-54 with a 10-foot jumper with 1:12 left in regulation to send the game into overtime. Both teams had chances after that to win the game in regulation but failed.

Hillside got 17 points from Dave Burks and 16 from Erik Dabney, both sophomores.

Brown :02 jumper lifts Central, 58-57

By JOHN FORTUNA

Al Brown hit an eight-foot jump shot with two seconds to play to give Newark Central a 58-57 victory over Rutherford last night in the semifinal round of the Group 2 state tournament before 900 at Fair Lawn High School.

Central (12-8) will meet Salem in the Group 2 final Saturday at the Rutgers Athletic Center. Rutherford, the 1975 Group 2 champion, finished 19-7.

Rutherford's Brian Cunningham sank both ends of a one-and-one with 13 seconds to play to give his team a 57-56 lead. Central then rebounded the ball to Jamal Pierce, the game's high scorer with 31 points, who dribbled around and was fouled by Cunningham at the end-court stripe. With time running down, Pierce floated a pass across court to Brown, who calmly sank the ball from the left side for the victory.

"We knew we had a lot of time," said Central coach Calvin Blue. "We wanted either Jamal to take the shot or go to the hoop and draw a foul."

"I knew Jamal would be doubled, so I told Al to be ready and make sure he caught the ball and to go up strong."

Pierce, a senior guard, had guided Central back from a 38-32 halftime deficit when he scored Central's first 12 points of the third quarter to bring his team to within 36-34.

Mike Brooks then scored two inside baskets before Pierce closed the quarter with a driving layup down the lane to give Central its first lead of the half at 50-38.

Central opened a 16-50 lead with 1:33 to play, but Jason Sobieski rallied Rutherford with a three-point play and a jump shot before Cunningham's free throws.

Senior center Jack Sullivan had keyed Rutherford in the first half, scoring 16 of his 24 points.

"Sullivan was getting the ball inside to easy in the first half," Blue said. "At halftime, we told our guards to back down and try and cut off the passing lanes."

The move worked as Rutherford

was forced to rely on the outside shooting of Sobieski and Cunningham in the second half. Sobieski, however, had eight of his 11 points in the half and Cunningham netted eight of his 17 after intermission to keep Rutherford in the game.

Pierce, however, was too much for Rutherford.

"This was my biggest game because it brought us one game closer to a state title," Pierce said. "We've been playing together for four years for this."

"The moment I let the shot go I knew it was good," Brown said. "I was expecting to get the ball because I knew they'd be all over Jamal. I've waited four years to take that shot."
